3:25 P.M.	BOYS	BORN IN 1992 or earlier	4000 M

Coaches please note that this year we have combined the 1992 runners with the senior high runners. Individual and team awards will still be awarded for both junior and senior high students.

Teachers and Parents Fun Run is open to all teachers at competing schools and to all parents or legal guardians of students attending that school. Please purchase a name tag at the registration table.

All runners should be at the park one hour before the scheduled start of their race. Name tags will be available for all those who have pre-registered.

Age categories are determined by year of birth.

Good luck to all runners.

Thank you to: The Edmonton Journal, The Running Room, Subway, Centennial School and Athletics Alberta for their support and assistance.
